IATA/ICAO Dangerous Goods Transportation Seminars (Air)

2-Day Basic Class Topics:

- Format of the Regulations
- IATA Section 1 Applicability
- IATA Section 2 Limitations
- Classification of Dangerous Goods
- Using the Alphabetical List of DG's
- Selecting a Packing Instruction
- State and Operator Variations
- General Packing Provisions
- UN Packaging Specification Marks
- Marking and Labeling
- Documentation
- Overpacks
- Handling and Safety
- Excepted Quantities
- Limited Quantities
- Limited discussion of Radioactive Materials & Explosives
(Please see RAM info in this flyer)

3-Day Advanced Class Topics:

- All topics covered in 2-Day Basic class plus;
- Multiple hazards
- n.o.s. Proper Shipping Name
- Mixtures and Solutions
- Different Dangerous Goods Packed Together

1-Day Recurrent* program covers:

- A review of topics covered in 3-Day Advanced program with an emphasis on **updates and changes**.
- ***Prerequisite for recurrent training is IATA/ICAO Dangerous Goods training within previous 24 months.**

IATA programs include:

- Current *IATA Dangerous Goods Regulations*
- Student workbook
- Daily lunch

Tuition:

3-Day Initial - \$655

2-Day Initial - \$595

1-Day Recurrent - \$415

Bring your own 2010 IATA book & save \$100.

This offer is valid at time of registration only.

**San Juan seminars conducted in Spanish with English materials.*

Online Training Center

Classroom training led by an instructor is always the best option for learning. However, if coming to the classroom is not practical, and you satisfy the enrollment requirements, DGI's online training options, may be right for you.

These courses are now available:

49CFR - Initial and Recurrent
 IATA - Initial and Recurrent
 IMDG - Initial and Recurrent
 Air Carrier Training
 Automotive Parts
 Biological Substance Category B
 Consumer Commodity

Driver Training
 Dry Ice (Refrigerants)
 Excepted Quantities
 General Awareness
 Infectious Substance
 Magnetized Materials
 Security Awareness Training - Free

To take a free demo and learn more about DGI's Online Training Center visit our website www.dgitraining.com.

Multi-Modal Dangerous Goods Transportation Seminars

- ➡ **5-Day 49CFR/IATA/IMDG Initial- \$1160;** seminar topics include:
 - Relationship between the 49CFR, IATA and IMDG regulations
 - Fully develops the regulatory merging process underway with HM-215A
 - Classification, Proper Shipping Names, Packaging, Marking, Labeling & Documentation, Segregation of Incompatible Chemicals.
- ➡ **4-Day 49CFR/IATA Initial- \$1005;** seminar topics include:
 - Relationship between the 49CFR and IATA regulations
 - Fully develops the regulatory merging process underway with HM-215A
 - Classification, Proper Shipping Names, Packaging, Marking, Labeling & Documentation, Segregation of Incompatible Chemicals.
- ➡ **3-Day IATA/49CFR/IMDG Recurrent * - \$745;** seminar topics include:
 - Emphasis on regulatory changes with the current editions of IATA, 49CFR and IMDG.
 - Review of the 5-day initial topics and an examination on each mode.
 - **Prerequisite for this program is Dangerous Goods training within the past 24 months for IATA and within 3 years for 49CFR and IMDG.*
- ➡ **2-Day IATA/49CFR Recurrent* - \$635;** seminar topics include:
 - Emphasis on regulatory changes with the current editions of IATA and 49CFR.
 - Review of the 4-day initial topics and an examination on each mode.
 - **Prerequisite for this program is Dangerous Goods training within the past 24 months for IATA and 3 years for 49CFR.*
- ➡ **2-Day 49CFR/IMDG Recurrent* - \$495;** seminar topics include:
 - Emphasis on regulatory changes with the current editions of 49CFR and IMDG.
 - Review of the 4-day initial topics and an examination on each mode.
 - **Prerequisite for this program is Dangerous Goods training within the past 3 years for 49CFR and IMDG.*

Included with ALL Multi-Modal programs:

- Appropriate regulations (IATA , 49CFR (parts 100-185) and Copy of the IMDG Code), Student workbook and daily lunch.

These programs satisfy DOT compliance criteria for job specific & recurrent training for all modes of transport.

Radioactive Materials (RAM) Transportation Seminars (Multi-Modal)

2-Day program covers:

Definitions & Units of Measurement
Determination of Transport Index (TI)
Proper Shipping Names
Packaging selection
Use of Tables containing A1 & A2 values
Categorization of Packages
Marking & Labeling
Documentation
Special Limitations
Segregation
Loading
Accepting RAM for transport

Important!
**If you ship any quantity of Radioactive Materials,
You need to take this course!**

This seminar is intended for Shippers, Forwarders, and Carrier personnel who work with RAM in the normal course of transportation and acceptance. DGI's 2-Day Radioactive Seminar will enable you to transport both domestic or international with ease.

Included with RAM programs:

- 49CFR regulations (If you ship by air or ocean it is recommended that you bring current IATA or IMDG Regs)
- Classroom workbook
- Daily lunch

Prerequisite: previous hazardous materials training recommended but not required.

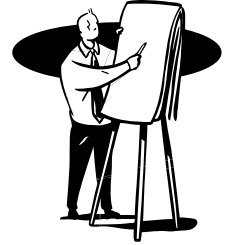

TUITION: 2-Day - \$465

<u>City</u>	<u>2-Day Seminar</u>
Chicago, IL	Apr 22-23
Las Vegas, NV	Feb 25-26
	July 22-23
Philadelphia, PA	Sept 30-Oct 1

Train-the-Trainer (TTT) Workshops

4-Day workshop covers:

- Training Needs Analysis
- Instructional strategies
- Learning Objectives
- Preparing Visual Aids
- Instructional Methods for adult learners
- Evaluation and Testing Techniques
- Answering questions effectively

DGI's Train - the - Trainer class has emerged as a popular workshop for those who require an in-house Dangerous Goods Transportation Trainer. This class will prepare those who are required to do in-house training to teach with confidence.

Students will develop & present a training objective to the class which is recorded for feedback within the group. Students will also prepare and present an exam to the class to determine if their topic has been thoroughly grasped and students are able to perform that objective effectively.

All classroom work is based on hazmat concepts relating to the transport of a regulated material.

This is not a hazmat certification course!

Students **must** bring a current copy of IATA, 49 CFR or the IMDG regulations to develop their presentation. **It is also strongly recommended that you bring a laptop equipped with PowerPoint.**

***Prerequisite:** current certification for IATA/ICAO within 24 months or 49CFR or IMDG within the past 3 years.

Seminar includes: Student workbook, Individual recorded presentation and daily lunch.

TUITION: 4-Day - \$895

<u>City</u>	<u>4-Day Seminar</u>
Atlanta, GA	May 17-20

Customized Training Materials

Take advantage of DGI's expertise. Purchase up to date materials to train your employees. You can purchase reproducible copies of the student workbooks listed below with or without corresponding PowerPoint presentations. These programs are intended to be used by certified individuals who are experienced trainers or have taken a Train-the-Trainer program mentioned above.

The following programs are currently available:

- | | | |
|------------------------|------------------------|-------------------------|
| • IATA/ICAO | • Automotive | • Infectious Substances |
| • 49CFR | • Consumer Commodities | • Flammable Liquids |
| • IMDG | • Corrosive Materials | • Radioactive Materials |
| • Air Carrier Training | • General Awareness | |

For more information and pricing contact Jessica Pounds at 904-321-0874 or webmaster@dgitraining.com

Onsite Seminars

DGI's public seminars are also available as onsite programs conducted at your facility. Our onsite programs give you the ability to customize and combine any of our public classes to fit your training needs. The end result is a seminar that is strictly tailored to your products, job functions, shipping patterns and internal requirements.

Benefits of Onsite Training:

- * Saves money on tuition and travel expenses by having the instructor come to you.
- * Saves time in the classroom, as programs are focused on your products.
- * Customized programs designed to meet your product and training needs.
- * Flexibility of location, hours and dates (including weekends)
- * Ensures students to learn at the same level and more staff can attend.
- * Direct interaction with your instructor prior to the seminar.
- * Classes available in Spanish for all modes of transport.

Cost: Generally, onsite training is cost effective when you have 7 or more employees who require similar training. Cost is based on a daily rate plus expenses.

Daily Instructional Rate:	\$1350 to \$1550 up to 12 students
Additional students:	\$40 to \$ 80 per person
Instructor per diem:	\$45 per training day

Additional expenses are instructor airfare, ground transportation, reasonable hotel accommodations and shipping charges to return classroom materials.

All training programs include instructor, program, course workbooks, certification and the use of actual regulations when applicable. DGI programs are fully guaranteed to satisfy job specific transportation training requirements of the U.S. DOT, ICAO/IATA, IMDG/IMO and TDG-Canadian Transport.

For more details contact Frank Nerli at 805-473-0978, dgifn@dgitraining.com or request a quote at www.dgitraining.com

Webinars - Public & Private

A webinar is an online training course conducted in real time by an instructor. All that's required is a high speed internet connection and in some cases the actual regulations. Classroom set-up may be used with an LCD projector.

Public Webinars:

We recently started offering General Awareness and Lithium Battery public webinar courses. In 2010 we plan to expand this learning medium with more courses.

For complete information, and a list of all current public webinars and dates please visit our website www.dgitraining.com.

Public Webinar Course	Date(s)	Start Time	Hours	Tuition
General Awareness	Monthly	1 pm (est)	1-2	\$25
Consumer Commodities (Air & Ground & Ocean)	Every other month	11 am (est)	6-8	\$275
Flammable Liquids (Air & Ground)	Every other month	11 am (est)	6-8	\$275
Infectious Substances (Air & Ground)	Every other month	11 am (est)	6-8	\$275
Lithium Batteries (Air & Ground)	Every other month	11 am (est)	6-8	\$275

Private Webinars:

Private webinars are much like an onsite, but with the convenience of online training. Private webinars can be customized to meet the individual needs of your company, and may be a good option if you are considering an onsite, and ship the following:

- A single hazardous product (not a class, but a product) or,
- A single hazard "class" as long as only one shipping configuration is used.

Private Webinar Pricing: \$1350-\$1550 per day, includes 12 students, \$40-\$80 per additional student up to a maximum of 30 students.

To determine if a Private Webinar is the right option for you, contact Frank Nerli at 805.473.0978 or dgifn@dgitraining.com.

Tuition Payment Policy

All seminars must be prepaid a minimum of 7 days prior to start date. For your convenience, DGI accepts MasterCard, Visa and American Express credit card payments. Mail all payments to DGI Training Center, 1060 El Camino Real, Suite B, Redwood City, CA 94063.

Cancellation Policy

A \$100 cancellation fee will be charged for cancellations and transfers within 7 days of the seminar start date. This fee also applies to students who do not show up for the class. **Cancellations** received more than 7 days before the class are fully refundable. **Transfers** to another class may be made more than 7 days without penalty, however, within 7 days the cancellation fee applies. **Substitutions** may be made up to the first day of class without penalty. DGI reserves the right to cancel programs two weeks prior to the start date. Should this occur, a full refund will be made, or funds may be transferred to another seminar.

Guarantee

Your satisfaction is guaranteed with all DGI Training Center programs. If you are not fully satisfied with your training, write us stating why and we will promptly review the matter and correct it to the best of our ability or send a refund for the seminar tuition.
